

Hyack Camp, 2018

Registration Form

Date: May 25-27, 2018
Location: Queen's Park, New Westminister
(Southwest corner, near 1st St. and Vancouver St.)

The Scouts of New Westminister would like to invite interested Scout Groups from other Areas and Councils to join us at the camp that brings a whole new meaning to the expression, "Wilderness Camping".

Hosted by the 12th New Westminister Scout Group, this long-standing Camp retains its tradition of being an invitational camp for Scouts from the Lower Mainland, Vancouver Island and Washington State. This year is our 31st Annual Hyack Camp!

We plan to have the youth play Bubble Soccer which was a huge hit last year.

On Saturday morning we will be preoccupied in rummaging for breakfast and then walking it off in the Hyack Parade. Our afternoon program has yet to be finalized but as always we will have some form of demonstration at the Park, as well as swim passes to the Canada Games Pool.

Following tradition, we will have our Saturday dinner cooking competition, in which the Scouts will have the opportunity to win "The Coveted Hyack Cooking Trophy". The theme and the secret ingredient will be announced on site.

Saturday evening will feature the always popular campfire on the baseball diamond. New Westminister issues one fire permit a year and this is it. Come prepared with song, skit and cheer.

Camp fees are \$15/person. This includes the bubble soccer, lunch after the parade on Saturday, swim pass, campfire, mug-up on Saturday, and a Hyack Camp crest.

Saturday event fees are \$5/person for all Cubs and/or parents who would like to participate. This includes lunch, swim pass, campfire, mug-up on Saturday, and a Hyack Camp crest.

To register or for more information please contact:
